PETE GARNIER

Ontario's own, Pete Garnier has been fishing tournaments for over 30-years and gained a reputation as one of the most versatile anglers on tour while competing in both Ontario and the US. Renowned as a master top-water angler for his dominance with a top-water frog, the former Canadian National Classic Champion certainly knows firsthand the "high and lows" of competitive fishing. Weather patterns can directly affect fish activity and a few simple adjustments in your fishing approach will help you catch more and bigger fish, no matter what mother nature throws at you throughout the entire season.

"BIG" JIM MCLAUGHLIN

"Big" Jim as he is affectionately known has been an integral part of the Canadian Sport Fishing scene for over 40 + years and shows no sign of slowing down. Having first gained notoriety as a tournament angler, "Big" Jim was vaulted into the sport fishing spotlight with two CFT Canadian Classics - Canada's Premier tournament title along with a slew of major tournament victories numbering over 29 to his credit.

This very successful E-magazine is presently entering its 30th year of bringing much needed angling information to Canadian and American anglers alike four times a year and is fully digital.

The 2009 Spring Fishing & Camping: Boating show saw "Big" Jim was awarded the Rich Amsbury Hall of Fame Award presented by the Canadian Sports Fishing Hall of Fame for going above and beyond the expectations of the angling community. Then in 2010 "Big" Jim was inducted into Canadian Sports Fishing Hall of Fame in the Angler division which is secretly his favourite.... "Nothing beats recognition from your peers."

A highly sought after seminar presentare David enjoys sharing his vast knowledge of fishing and competitive angling with inquiring anglers, young and old. David is passionate about introducing new anglers of all ages to the wonderful sport of fishing, especially kids.
